School District and Board of Education Social Media Presence

For Immediate Release

July 17, 2025

To the MPSD community:

As outlined in our [Trustee Code of Ethical Conduct](#) (Governance), [Communication and Public Participation Policy](#), [Communication Guidelines](#), and [Concerns and Complaints Policy](#) (District Administration), it is our practice that neither district staff nor the Board of Education conduct official business or engage in discussions or debates on social media.

Our social media accounts are dedicated to sharing informational content with the community. Due to the nature of social media discussions, which can lead to misinformation, we have chosen not to participate in these platforms for conducting official business.

We encourage members of the community who have concerns or questions to reach out to us through the following official channels:

- Email trustees at trustees@mpsd.ca
- Email Superintendent Angus Wilson at angus.wilson@mpsd.ca
- Email our general mailbox at info.sd75@mpsd.ca

We are committed to addressing your concerns and providing the necessary support through these official communication channels.

Thank you for your understanding and cooperation.

Sincerely,

Board of Education of Mission Public Schools
