

Occupational Health and Safety Program

The Board of Education will establish procedures for employees to be trained and informed about their duties, and will establish procedures and safe work practices pursuant to the *WorkSafe BC Health and Safety Regulations*.

Date Adopted: December 2000

Date Amended: May 2003

Definition:

- *Supervisor is defined by WorkSafe BC as any person who is responsible for controlling or directing the work activity of any other person.*
- *Employer means the Board of Education or designate.*
