

Opting for Alternate Delivery

The intent of 'alternate delivery' is to provide flexibility in meeting Ministry of Education prescribed learning outcomes while at the same time respecting the rights and concerns of parents to address personal development with their children in a setting in which they are comfortable. Regardless of the model chosen, students must give evidence of their understanding of the topics being covered outside the formal classroom setting.

Student Name: _____ Div: _____

School: _____ Grade: _____

1. Prescribed Learning Outcome(s) to be completed by alternate delivery ([Prescribed Learning Outcomes for Personal Planning K-7](#); [Prescribed Learning Outcomes for Career and Personal Planning 8-12](#)).
2. Materials / Resources: The choice of learning resources and materials used for the alternate delivery are at the discretion of the parent.
3. Evidence of Understanding.

Students are required to complete a unit of study, which demonstrates knowledge of the prescribed learning outcomes. Parents are required to assess and evaluate this work. The report card will note that the area of study was completed by an Alternate Delivery Agreement.
