

Field Trip Guidelines and Regulations

While on a field study or trip, the school district will be on public display, and as representatives of our schools and community it will be our responsibility and duty to conduct ourselves so that we will be above reproach and a credit to our school and the School District of Mission.

1. **NO DRINKING OF ALCOHOLIC BEVERAGES AT ANY TIME OR PLACE.**
2. **NO CONSUMING OF DRUGS FOR ANY REASON** other than medicinal purposes with prior consent given on your medical form.
3. There shall be **NO SMOKING** while in transit with a group, while in uniform, while we are together as a group, (e.g. guided tour) or in your host's home or in your hotel room.
4. You shall be courteous and considerate, paying special regard to times set for meals and times set to be in. Remember some students need more sleep than others. Bring books and be prepared to read.
5. You shall take careful note of all instructions given by the teacher or adult chaperones with special regard as to times and places for meetings.
6. Students who do not follow guidelines 2 and 3 (drugs and alcohol) will be subject to the [Student Conduct Standards and Behaviour Management Administrative Procedure #114](#). Such students may be suspended immediately for a minimum of three days and may lose the privilege of attending their school. (Further, such students will be suspended from Instructional, Student Activity and overnight field trips for the remainder of the year.)
