

DISCOVER A NEW WAY for your child to learn French:

INTENSIVE FRENCH PROGRAM

This is not a French Immersion program but rather an alternative language acquisition program for those students interested in building their French language skills more rapidly.

In Today's World Bilingualism is an Asset!

- Don't miss your chance; space is limited! Registration will begin on Thursday, February 16th for students entering Grade Six in September, 2012. The program takes place at Windebank Elementary School.
- Intensive Core French is part of the Mission Public Schools system.
- Parents do not need knowledge or background in French language.
- There is no cost to participate.
- Learning French as a second language opens many great opportunities such as traveling, public speaking, French entertainers and much more.
- Improves the ability to learn further languages.

For more information about the Intensive Core French Program, you are welcome to attend our Parents Information Night.
