Section:	Governance	
Title:	Policy Development and Review	1.5

Purpose

To provide guidance for the development and review of School District policies.

Policy

School District policies are to provide an appropriate balance between the responsibility of the Board to develop the broad guidelines for the School District and the opportunity for the Superintendent to exercise professional judgment in the administration of the district.

The development of School District policies outlining the goals, objectives, direction and guidelines for the School District will be developed in an open and transparent process including consultation or collaboration with stakeholders.

School District policies must support or be consistent with the objectives of the Strategic Plan.

All policies are to be reviewed during the Trustees term of office.

Guidelines

Board approved policies will be developed and reviewed in a thorough and consultative manner to ensure the broad interests of the educational community are considered. The educational community includes students and student associations, parents and parent associations, employees and employee organizations. Whenever possible, applicable administrative procedures will be reviewed at the same time the policy is considered.

1. Planning

The Board, in cooperation with the Superintendent, shall assess the need for a policy, as a result of its own monitoring activities or on the suggestion of others, and identify the critical attributes of each policy or overarching goals for the policy to be developed.

Any individual Trustee may initiate a policy for consideration and present it at the public Board meeting.

2. Development

The Board may develop the initial draft of the policy itself or delegate the responsibility for initial development of the policy to the Superintendent.

The Superintendent may seek legal advice on the intent and the wording of the policy.

3. Consultation and approval process

The draft policy, or policy being reviewed, will be considered at a Committee of the Whole meeting, soliciting feedback from the public and partner groups attending the meeting.

The Committee of the Whole is to forward the approved draft or amended policy to the public Board meeting for approval in principal.

The approved-in-principle policy is to be forwarded to the educational community and the general public for feedback.

The approved-in-principal policy is to be returned to a Committee of the Whole meeting along with comments from the consultation process.

The final draft of the policy is to be forwarded to the public Board meeting for final approval.

4. Implementation

The Board is responsible for the implementation of policies governing its own processes.

The Board and Superintendent share the responsibility for implementation of policies relating to the Corporate Organization.

The Superintendent is responsible for the implementation of all administrative procedures related to the Board approved policies.

The Secretary Treasurer is responsible for tracking the review of the policies and reporting to the Board.

The Secretary Treasurer is responsible to ensure the policies are publicly available.

5. Evaluation

The board, in cooperation with the superintendent, shall evaluate each policy in a timely manner in order to determine its effectiveness in meeting its intended purpose.

ITEM 4.2 Action File No. 1020.20

TO: Board of Education
FROM: Committee of the Whole
SUBJECT: Child Care Facilities

Recommendation

THAT the Child Care Facilities Policy be approved.

1. Summary:

The draft policy meets the requirement of the School Act, to establish policies promoting the use of board property by licensed childcare providers. The Policy has been revised with the suggestions from Special Committee of the Whole on October 12, 2021, approved in principle by the Board of Education on November 16, 2021, and the formal public engagement via Engage MPSD portal was initiated and reviewed by the Committee of the Whole.

2. Background:

The attached policy is roughly based on the templates created by the BCSTA to support school district childcare policies. In addition, the policy includes language to support equity, inclusion and indigenous rights in the provision of childcare. The additional language is similar to the language being put together for an Equity and Inclusion policy, and as such, it may need to be revised in the future when the draft Equity and Inclusion policy is ready for the Committee of the Whole.

The draft policy has also been updated to:

- To include additional organizations to consult with,
- To provide clarity on fee expectations for licensees,
- To provide additional clarity regarding inclusion,
- To incorporate the requirement to adhere to the BC Early Learning Framework,
- To provide clarity on expectations for licensees, and contract requirements.

In addition to after school care through the City of Mission's club kids program, the school district has four (4) childcare operators providing childcare services on school district property:

1. Two classrooms at Dewdney Elementary
2. Two classrooms at Silverdale Elementary, plus before and after-school care in a multi-purpose room
3. Three classrooms at Stave Falls Elementary, plus before and after-school care in the library and gym.
4. Heritage Park Daycare in a stand-alone building – purpose-built in 1995.

3. Options:

- a. Amend the draft policy before approving in principle.

Trustee Cairns recommends modifying the policy as follows:

5. The Board, in consultation with District of Mission, will, on an ongoing basis, assess community need for childcare programs on board property. This will also be through a process of engagement...

- b. Approve in principle, as presented.
- c. Refer back to a Committee of the Whole for further review before approving.

4. Analysis and Impact:

- a. Strategic Plan Alignment

Future Orientation – supports changing expectations for school districts and child care

Student Centred Learning – fosters collaborative learning for younger learners

Effective Learning Environments – supports equity, diversity, and inclusion for early learners

- b. Enhancement Agreement
- c. Funding Guidelines, Costing, & Budget Impact
- d. Policy, Legislation, Regulation

School Act Excerpt - Policies respecting child care programs

"board property", in relation to a board, means land or improvements

- (a) that are owned or leased by the board,
- (b) that are within the board's school district, and
- (c) that are, have been or are intended to be used for educational activities;

"business day" means a day other than Saturday or a holiday;

"educational activities" means the provision of educational programs, early learning programs and extracurricular school activities;

"licensee", in relation to a child care program, means the person licensed under the [Community Care and Assisted Living Act](#) to provide the child care program.

(2) A board must establish a policy that

- (a) promotes the use of board property by licensees, between the hours of 7 a.m. and 6 p.m. on business days, for the purpose of providing a child care program, and
- (b) addresses the matters set out in any orders of the minister.

- e. Organizational Capacity

The policy prepares the school district to increase the provision of childcare operations in school district facilities, although additional supports would be needed if childcare is provided by the school district rather than contractors.

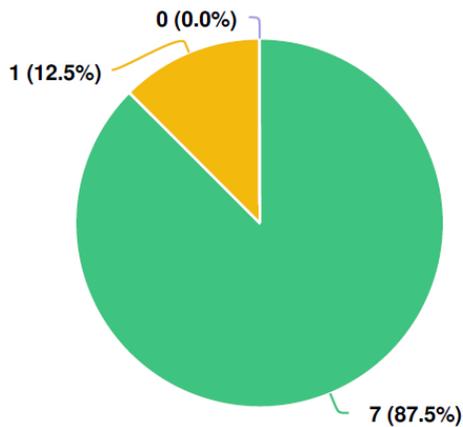

- f. Risks

- i. Organizational
- ii. Reputational
- iii. Strategic

- g. Benefits
 - i. Organizational
 - ii. Reputational
 - iii. Strategic

5. Public Participation:

Consideration with the Committee meetings, and the public engagement website.

Survey Question: Do you agree with the Child Care Programs with Guidelines Policy as is?

Question options

● Yes ● Do you have any suggestion? ● No

One respondent suggested:

Create language that clearly states what the process is for reimbursement (who pays, who does a staff member reach out to, who organizes the communication between Board, Child Care Program, and School), for when classroom and/or personal teaching tools are damaged during the hours of Child Care service.

6. Implementation:

A review of current services and fees charged to the childcare operations needs to be revisited. Currently, three of the childcare facilities are private business operations, and as such, they are charged private business use rates. We currently do not have the ability to direct equity and inclusion in these operations. Consultation and collaboration with the operators would be required.

ITEM 4.3 Action File No. 1020.20

TO: Board of Education
FROM: Committee of the Whole
SUBJECT: Student Clothing Policy

Recommendation

THAT the Student Clothing Policy be approved.

1. Summary:

The draft student clothing policy is to support clear communication to students regarding suitable and unsuitable clothing. The focus was to keep the language neutral and applicable to all individuals. The policy was revised to reference applicability for all schools.

2. Background:

Following recent public instances of students from other school districts being sent home for wearing clothing deemed to be unsuitable, and the biases identified in dress code policies, the Board requested an update to the district's dress code. After researching policies from other school districts, the draft policy was prepared to begin the conversation on what an acceptable policy should include / not include.

Also, based on the feedback, the procedures have been removed. It will be the expectation that this policy applies to all schools. Any supplemental information provided by schools must conform to the policy.

The policy is intended to provide direction to every school to create student clothing guidelines that are gender-neutral, non-discriminatory, and are clearly communicated to parents and students. The expectation is that the student clothing guidelines are included in the student handbook that is provided to students (generally in September each year).

3. Options:

- a. Amend the draft policy before approving in principle.
- b. Approve in principle, as presented.
- c. Refer back to a Committee of the Whole for further review before approving.

Suggestions included:

- *A comment regarding weapons was distributed separately to the Board.*

- *Policy 5. Should be adjusted for face coverings. While we are still active with Covid, making an adjustment in the policy would make things much more clear. With that said, I am a believer in leading by example in which the office staff at Ecole Mission Senior Secondary do not do. This sends a horrible message to our teenagers ! Do as I say, not do as I do is not ok!*

- *No beach wear.*

6. Implementation:

Once approved, the policy will be updated on the website, and distributed to schools for implementation.

4. That students must not wear clothing:
 - 4.1. That compromises a safe and inclusive learning environment;
Examples include: language or images that are threatening
 - 4.2. That promotes the use of tobacco, marijuana, illegal drugs, or alcohol;
 - 4.3. That advocates illegal activity;
 - 4.4. That encourages sexism, racism, homophobia, or bigotry.
 - 4.5. That includes insignias, symbols or adornments that denigrate or promote hatred of a person or persons, including, but not limited to, clothing that denigrates or promotes hate based on race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex, sexual orientation, gender identity and / or expression, or age;
 - 4.6. That bears direct or indirect messages or graphics referring to gang culture, sex, pornography, obscene images, weapons, or violence.
5. Other than for religious purposes, health and safety requirements, or where required to accommodate a disability, students must not wear clothing which obscures their face.

Guidelines

1. Schools must publish the student clothing guidelines by September 30th each year and ensure that parents and students are aware of the guidelines.
2. When there are differences in perspective, all involved must seek common understanding in a mutually respectful manner, in consultation with the school principal or vice-principal.
3. Decisions regarding clothing suitability must not be made with a gender or cultural bias, but simply considering the respectful learning and working space.
4. If a student comes to school dressed in clothing that is not suitable for the day's activities, or is contrary to the Board policy, it should be addressed so that it does not cause shame for the student, or loss of learning time. Interventions are to be respectful, restorative, and educational.

5.2 COVID Update

The Superintendent provided an update on the Covid19 situation in SD75. Fraser Health is seeing fewer cases in the Fraser Valley. Chilliwack is leading in vaccination.

While there is evidence that Omicron may have the morbidity of other strains, tests have mostly been on younger patients, and it is highly contagious, which is a concern for hospitalizations. It is being closely monitored by the health authorities.

6. NEW BUSINESS

6.1 Stave Falls Catchment Boundary Adjustment to include Steelhead Area

MOVED and Seconded THAT the proposed school catchment boundary change to move the Steelhead area from the Albert McMahon Elementary School catchment to the Stave Falls Elementary School catchment be approved in principle;

AND THAT additional consultation and engagement with the Steelhead and Stave Falls area school community regarding the school catchment boundary change be initiated;

AND THAT a Committee of the Whole meeting be scheduled in January for further consultation and engagement with the school community regarding the school catchment boundary change.

CARRIED

January Tuesdays are quite full, so the special meeting may have to be scheduled on another day.

A comment was made about the Little Willows Daycare in Stave Falls Elementary - With increased enrolment, we need to talk about accommodating the daycare. At Webster's Corner, Little Willows is housed in a portable. The daycare is a very important component of the West side of the district.

A question was asked about the proposed bus times for pickup/drop-off.

6.2 Dewdney Catchment Boundary Adjustment to include Durieu Area

MOVED and Seconded THAT the proposed school catchment boundary change to move the Durieu area from the Hatzic Elementary School catchment to the Dewdney Elementary School catchment be approved in principle;

AND THAT additional consultation and engagement with the Durieu and Dewdney area school community regarding the school catchment boundary change be initiated;

AND THAT a Committee of the Whole meeting be scheduled in January for further consultation and engagement with the school community regarding the school catchment boundary change.

CARRIED

There will be future special meeting(s) to discuss with the community in January. The Board is looking forward to the discussion.

6.3 Procurement to purchase electric vehicle replacement

MOVED and Seconded THAT the Board direct staff in future procurements to purchase electric vehicle replacement for Bus and Fleet whenever feasible.

CARRIED

Vice-Chair Cairns brought the motion to purchase electric vehicles forward to show the young generation leadership in environmentally friendly transportation. Budget is an issue; however, the direction ties into the Board's Strategic Plan, with regards to environmental stewardship.

6.4 Exploring placing of a House Post to the SBO

MOVED and Seconded THAT the Board engage with Leq'á:mel, Matheqwí, Qwó:Itl'eI and Sq'éwlets, and the Siwal Si'wes Advisory Council, to explore the placement of a house post at the Board of Education Office.

CARRIED

This action will show we are committed and meaningful in the process of reconciliation. A house post is a welcome to the house. In that, a story has to be told. We would like to express the value of the building to the education of students.. A post would welcome the community to the education place, to create a sense of belonging. Students should be encouraged to help create the post through the curriculum. Trustee

Liaison McKamey feels this may be a big step in engaging with the First Nations.

A question was asked about the cost of a house post. The Leq:a'mel Nation is connected with a logging company, otherwise, the province of BC or another donor may supply the cedar. If a significant artist was commissioned, the cost could reach 6-figures. If the wood is donated, it may be a reasonable cost. The Board chair inquired about the option of allocating the money (cost of this project) for enhancing the Indigenous student academic achievement and recommended discussing with the First Nations, where they would prefer to spend this money.

A comment was made that this would be a positive movement showing support of the Indigenous community. There are 3 artists in the area, but as we move on and engage the communities, we may get the communities to take ownership of the project as well. The cost may be similar to the totem pole at St. Mary's or Coqualeetza. Engaging students in creating the house post is an important step.

6.5 Provincial Online Learning Hub

MOVED and Seconded THAT Mission Public Schools submit to the Ministry of Education an expression of interest for Mission Public Schools to become a Provincial On-Line Learning Hub.

DEFEATED

The Ministry of Education has issued a call for expressions of interest for the provision of Provincial On-Line Learning Schools. The expression of interest must be submitted by December 17th, 2021, and a full proposal in January 2022. Changing to a Provincial model would require significant changes to the current Distance Learning program offered through Summit Learning Centre.

The Superintendent discussed the future of distance learning and how it will be available to students. He also discussed the numerous hurdles in the process, and the lack of scope and scale as compared to neighbouring school districts.

The Moodle model - there would be budget implications in retraining staff. In the future, the Province may looking into creating an online school district.

MPSD can still service MPSD students, but cannot provide online service to students outside of the district.

There will be other districts interested in implementing the DL hub (Abbotsford, Maple Ridge).
