5.1 Math Courses Report

The committee reviewed and discussed Math courses and reports from FLC, MSS and RC. MSS has begun an inventory of Math skills this year to gain a better understanding of deficits in the area. Suggestion was made to begin a similar inventory for grade 8 and grade 9 math skills to gain a better understanding district wide. Suggestions were made

to consider additional supports in the area of Math as a district to support identified deficits.

5.2 Grade 10-12 Summer Jobs in Trades

Discussion was held related to the idea of hosting a Job Fair in the Trades to provide more exposure for trades and more opportunities for employment. MSS will be hosting a Job Fair in early June for students in the School District.

A suggestion was brought forth to involve students in trades in the Mission Waterfront Project. Discussions to continue on hosting a trades job fair at next meeting.
