To establish a process, in compliance with the PIDA, for Employees to report, in good faith, wrongful or unlawful conduct without fear of retaliation or reprisal.

Scope of Policy

This Policy applies to alleged wrongdoing related to the School District’s operations or Employees. This Policy does not displace other mechanisms set out in School District Policy for addressing and enforcing standards of conduct, disputes, complaints, or grievances, including issues of discrimination, bullying and harassment, occupational health and safety, or disputes over employment matters or under collective agreements.

Policy

Mission Public School District (“School District”) is committed to supporting ethical conduct, honesty, integrity, and accountability in its operations, programs, and services, and to promoting a culture of openness and transparency.

The School District encourages and supports all Employees in bringing forward reports of unlawful acts and acts of wrongdoing in a manner consistent with the provisions of the British Columbia *Public Interest Disclosure Act* (“PIDA”).

The School District will investigate Disclosures that it receives under this Policy. Investigations under this Policy will be carried out in accordance with the principles of procedural fairness and natural justice.

The School District is committed to protecting the privacy of Disclosers, persons accused of Wrongdoing and those who participate in Investigations in a manner that is consistent with its obligations under the PIDA and FIPPA.

The School District will not commit or tolerate Reprisals against any Employee who, in good faith, makes a request for Advice, makes a Disclosure, participates in an Investigation, or makes a complaint under this Policy.
