

I wish to receive approval to use Mission Public Schools (SD #75) facilities to access the MPSD.CA network and/or the Internet for educational purposes.

I have read the [Computer Network Administrative Procedure #601](#), [Internet Access for Students & Staff: Safe Practices Administrative Procedure #107](#) and [Internet and Email Access for all Users Administrative Procedure #210](#) and agree to abide by them. I understand that my failure to do so will result in my being denied access to the MPSD.CA network and/or the Internet from Mission Public Schools (SD #75) facilities.
